

COVER LETTER

Manuscript Title:

I/We certify that I/we have participated and contributed significantly to the completion of this manuscript and agree to have my/our name(s) listed as a contributor.

I/We confirm that this manuscript represents **valid and credible research**. Neither the content of this manuscript nor any **substantially similar or comparable work** under my/our authorship has been published or is currently under consideration for publication elsewhere. I/We certify that **all data related to this study** is fully disclosed within this manuscript, and no portion of the study has been or will be published separately.

I/We attest that I/we will cooperate in **providing any required data or information** related to the study during the peer-review process if requested by the editor or their designees. Any **potential or perceived financial interests or conflicts of interest** have been fully disclosed in the cover letter. Additionally, all **sources of external support** for this work have been acknowledged in the cover letter.

I/We hereby transfer **all copyright ownership** of this work, including all associated rights, exclusively to **Sciconx** in the event that the manuscript is published by Sciconx. Sciconx grants the **corresponding author** the right to incorporate any necessary changes and to act as the **guarantor** of the manuscript on behalf of all contributors.

All individuals who have made **substantial contributions** to this work but are not listed as contributors have been **acknowledged** with their **written consent**. If there is no acknowledgment section in the manuscript, it signifies that no external contributions were received and no contributor has been omitted.

I/We confirm that **there are no conflicts of interest** to disclose.
